Dear Future Student,

We would like you to know that financing is available. We work with a company by the name of TFC Credit Corporation that provides students tuition financing. Only the \$100.00 registration fee in addition to a percentage of the total tuition cost is needed to get started.

Please contact Ahern's Massage Therapy School if you are interested in a student tuition financing through TFC Credit Corporation.

Thank you and we look forward to seeing you soon,

Dr. Thomas Ahern, Owner and Teacher
